The Democrats of Kentucky are still in the ring.

AFTER all, it's only the fellow who isn't in the ring that wants to form one of his own.

The agricultural sharps say the condition of cotton is good;—much better, perhaps, than that of most of the fellows who have been wrestling with the market.

It was, to say the least, a doubtful compliment to the intelligence of the people of the Second Magisterial District to defeat Captain JACOB MILLER with a man whose only recommendation was that he was a Democrat.

The presence of the Negro in the Grand Army Post is creating considerable bitterness and dissatisfaction in Kentucky. The fact is, the Republicans of Kentucky—who constitute the major portion of the Grand Army Posts—have little use for the Negro socially or any other way, except they love to see him vote their ticket on election day. It seems to take the Negro a long while to find it out, but he will perhaps some day come to that point of political independence and thoughtful discernment which will endow him with a full knowledge of his true standing upon all lines which pertain to his race and personality.—*Hartford Herald.*

And it may be added that the chief opposition to the Negro on the part of Democrats lies in the fact that he does not, as a rule, vote the Democratic ticket. Whenever he does, however, the Negro is a fine fellow; and in Lexington some months ago a whole lot of high Democratic officials ate, drank and got merry at a 'possum supper and beer fest given by a couple of Negro Democratic politicians.

FOLLOWING the late Chicago plan, the Union livery drivers in Cincinnati refuse to attend funerals where non-Union drivers appear in charge of teams. If this thing keeps up, it won't be long until a fellow will have to walk to his own funeral.

At South Bethlehem, Pa., GEORGE SHERRY played the piano for 26½ hours, when he was put to bed by a Doctor who had been constantly at his side giving him nourishment, chafing his swollen wrists and arms and refreshing him with applications and cold lotions. What had to be done to the neighbors is not stated.

Two young men, 23 years of age, and house movers by trade, have just accomplished an extraordinary feat of engineering. They have successfully moved a 300,000-pound steel oil tank down a steep hill to the Allegheny river, transported it a mile down the river on barges and placed it on a bank 200 feet high.

The monster tank was sunk seven feet in the ground and had to be raised before it could be moved forward an inch. The five tracks of the Pennsylvania Railroad had to be crossed, and the railroad company gave the movers only forty minutes to get from one side to the other.

This is said by The Scientific American to have been one of the greatest tasks ever accomplished by any house mover. The work was done by twenty-four men and two horses in six weeks.

Political Pickings

INDICTED FOR PERJURY, ALSO.

Cynthiana Democrat.

Mr. Ed. Callahan, Sheriff, has been elected Chairman of the Breathitt County Democratic Committee. Mr. Callahan is a gentleman of considerable distinction and will command the confidence of his fellow workers.

The price for jumping on C. and O. trains at Covington has been raised to \$10.

Owing to the rain, the icecream and strawberry supper which was to have been given this evening on the lawn of Mr. R. A. Cochran for the benefit of the Y. M. C. A. has been postponed.

Colonel J. Wesley Lee a few days ago built a pair of trousers for a gentleman that measured 52 inches across the bosom.

The three-year-old son of Warren Gardner of Rectorville died yesterday of brain fever. Burial tomorrow at 4 o'clock at Olivet Cemetery.

Rachel Clayton paid \$20 and costs for a disorderly jag.

The Board of Education will meet at the High School Building at 7:30 this evening.

Bessie Haley was before Judge Whitaker last afternoon, for using abusive language, and was fined \$20 and costs.

The Ladies' Aid Society of the First Baptist Church will meet with Mrs. A. R. Glascock at her beautiful country home next Wednesday afternoon at 3 o'clock.

HAYSWOOD SEMINARY

Baccalaureate Sermon Preached to Graduates Sunday Evening.

The first Presbyterian Church was filled Sunday night with a large and attentive audience to hear the Baccalaureate Sermon of Hayswood Seminary. The sermon was preached by the Rev. Dr. McEwen of Pittsburgh. The text was taken from the last clause of the eighth verse of the fourth chapter of Philippians. "Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things."

The speaker presented in a clear and forcible manner that the first necessity in an education was the ability to think clearly, and that this power of forming true and high ideals, when consecrated by the Christian life, had for its outcome the loveliest type of womanhood.

Miss Florence Hays sang a beautiful solo entitled, "Love Not the World."

EARLY BIRDS

West End Hoboes Take Breakfast With the Break of Day

The doorbell rang at a West End residence at 4:30 yesterday morning.

In response to the call, "What is wanted?" came the reply, "Something to eat."

The occupants prepared a luncheon for the wayfarers, and going to the door found a couple of as tough-looking girls as you'd find in Ujijii, aged about 10 and 17 respectively.

The little one was barefooted and bareheaded, the larger one barefooted only;—but the clothing on both wouldn't wad a squirrel rifle.

They said they were just walking along the railroad—declining to answer any questions as to their previous, present or projected residence—only "just walking along the railroad."

Unless the City Council takes some step to protect the West End citizens from the nocturnal visits and ravages of hoboes, the residents of that section will be obliged to adopt measures that may not be exactly lawful; but self-preservation, &c.

On account of the numberless freight trains stopping at the West End Station, each carrying its complement of bumper passengers, the people of the surrounding territory are more sorely afflicted than those of any other part of the city.

Miss Rose Peterson, Secre-
tary Parkdale Tennis Club, Chi-
cago, from experience advises all
young girls who have pains and
sickness peculiar to their sex, to
use Lydia E. Pinkham's Vege-
table Compound.

How many beautiful young girls de-
velop into worn, listless and hopeless
women, simply because sufficient at-
tention has not been paid to their physical
development. No woman is exempt
from physical weakness and periodic
pain, and young girls just budding into
womanhood should be carefully guided
physically as well as morally. Another
woman,

Miss Hannah E. Mershon, Col-
lingswood, N.J., says:

"I thought I would write and tell
you that, by following your kind ad-
vice, I feel like a new person. I was
always thin and delicate, and so weak
that I could hardly do anything. Men-
struation was irregular.

"I tried a bottle of your Vegetable
Compound and began to feel better
right away. I continued its use, and
am now well and strong, and men-
struate regularly. I cannot say enough
for what your medicine did for me."

—\$8000 forfeit if original of above letter proving
genuineness cannot be produced.

Lydia E. Pinkham's Vegetable
Compound will cure any woman
in the land who suffers from

HEALTHY MOTHERS.

Mothers should always keep in good bodily
health. They owe it to their children. Yet it is
no unusual sight to see a mother, with bare in-
arms, coughing violently and exhibiting all the
symptoms of a consumptive tendency. And why
should this dangerous condition exist, dangerous
alike to mother and child, when Dr. Roschke's
German Syrup would put a stop to it at once? No
mother should be without this old and tried remedy
in the house—for its timely use will promptly
cure any lung, throat or bronchial trouble in her-
self or her children. The worst cough or cold can
be speedily cured by German Syrup; so can hor-
